Please be informed that the agent for Pankaboard in Italy will change as of 1st of May 2017. This has been agreed in close cooperation with Stora Enso Italia.

We are pleased to announce that Interpack Italia has been appointed the new local Pankaboard sales agent in Italy as of 1st of May 2017. The sales of Pankaboard products in Italy is headed by Mr. Davide Zenoni and his team (they will visit Pankakoski in week 16).

With the strong experience in cartonboards and specialities, in combination with service capabilities and attitude, we are excited to start the cooperation with Interpack Italia on the Italian market.

We thank Stora Enso Italia/Mr. Renato Somekh and his team for the engagement during the representation of Pankaboard in the past years and for the support in this transition process.
